22 mm Flush and Projected Pushbuttons

BACO's pushbuttons are characterized by excellent modularity. You can choose from a wide range of standard products or you can order tailor-made products to meet your specific requirements.

Features

- Pushbuttons can be installed using one hand only
- Head, clip, and blocks are modular
- Simple and robust locking clip assembly
- Quality-controlled and conform to international standards such as IEC, UL and EN.

Benefits

BACO's head, clip and blocks are modular, enabling you to build any combination of
